WINERY & RESORT
VIVÂMEE SIGNATURE COLLECTION

Established in 1864, Renault Winery is a favorite destination for wine lovers and tourists alike for its 158 years of champagne & fine wines. This event includes the tour of its historic house of Louis Renault, wine tastings, food pairings and relaxing time in the wine lounge for an experience with the in-house Chef and Sommelier. Renault's champagnes and fine wines have been continuously produced since 1864 and we are among a select few United States wineries with the privilege to label their sparkling wine as Champagne!
